

WEBINAR: Managing Millennials and Multigenerational Workforce

Overview

Most people of an earlier generation find the attitude of millennials extremely contrary to the previous standards. Many find it frustrating to manage this current crop of employees. However, millennials are just fractions of workforce. Many still belong to other generation groups, and the emerging Generation Z. This webinar gives plenty of ideas to overcome this challenge, starting with gaining a better understanding of millennials to breaching the barriers to improve engagement and enhance motivation across all other generational groups.

Objectives

At the end of the session, participants will be able:

- to understand the differences between different generational groups.
- to retain the high performing workers with their values and expectations.
- to learn how to resolve conflicts through flexibility

Who Should Participate

- Managers
- Supervisors
- Team leaders
- Business owners

Key Topics

- I. The different generations in the workplace
- II. Understanding the Millennials
- III. How to bridge the gap between employees from different generations
- IV. Motivational forces that drive millennial performance
- V. Managerial barriers in engaging with the millennials and other generational work groups, and how to solve it
