WEBINAR: Basic Training for New Managers

LIVE WEBINAR
VIA ZOOM

Overview

New managers who have the necessary tools, skills, and training, right from the start, are set up to become effective leaders who can foster engaged, productive direct reports and drive greater results for the organization. The transition from an entry level employee to successful manager is challenging. 60% of new managers fail because the skill set required for the job is entirely different.

Objectives

At the end of the session, participants:

- will be able to practice how to be fiduciary obligated towards the business
- will be able to utilize readily available tools to be an efficient manager.
- will be able to know how to support, motivate, and empower their team members to drive performance and results.

Who Should Participate

- Business Owners
