WEBINAR: Diversity, Equity, and Inclusion in the Workplace

LIVE WEBINAR
VIA ZOOM

Overview

Leaders in some organizations are dedicated to introducing and bringing change to their workforce and one of that changes is the diversity, equity, and inclusion initiatives. However, there are still plenty of organizations that are making only minimal approach in achieving this direction for reasons that would include unawareness of the initiative, not knowing the importance of it and how it would impact the organization, and how to navigate this path.

In an ever-changing business environment and workforce, it is important to recognize the importance of newer initiatives. This webinar would assist in discovering the organizational benefits by embracing the initiatives. This program also offers practical tips on how to bring change to the organization. Learnings can also be applied to home, school, and society settings. When the three (3) initiatives - diversity, inclusion, and equity - go together in your organization, then workforce is more empowered to bring their best to work.

Objectives

- To learn and provide clear understanding of what is diversity, equity, and inclusion initiatives and the importance of it in relation to the success of the organization.
- To discuss emerging trends and best practices within the organization for the initiatives.
- To recommend strategies for encouraging a more unified workforce utilizing the three (3) initiatives.
