WEBINAR: Effective Change Management

LIVE WEBINAR
VIA ZOOM

Overview

In today's fast-paced world, every organization can benefit from a better way to manage change. It is human nature to experience pain and confusion whenever there are changes, as we have the tendency to be contented and comfortable in the old systems. Because of business survival and its sustainability coupled with the strong management directives, changes have to be managed. Leading corporations, governmental entities, institutions and non-profits are adopting change management as an organizational competency, viewing it as a competitive advantage in our ever-changing business world.

Objective

- This seminar tackles the reasons for change and the available strategies for change. You will learn how to implement, manage, and cope with change.
